

International Trade Fair Ideas, Inventions, New Products  
29 October – 1 November | Exhibition Center Nuremberg | Hall 3C

# 2020

*4 Days, 800 Inventions, 30 Countries*

## iENA – The Platform for your World First

You have an idea, a prototype or even a finished product and you're now looking for a manufacturer, a distributor or someone to explore its patent potential? Then present your idea at the International Trade Fair for Ideas, Inventions and New Products and write the story of your success! Meet dealers, developers and consultants who can assist you with the development or marketing of your invention.

- **1/3** of exhibitors already make firm business deals
- **87%** satisfaction with the opportunities for making contacts
- **88%** overall satisfaction with the attendance at iENA

**Interested? For any further information please feel free to contact us at any time!**
