

Travel tips /driving instructions

iENA Trade Fair Centre Messezentrum 1, 90471 Nuremberg, Germany

Download the Driving instructions to the trade fair centre as PDF-File

The Nuremberg trade fair centre is an international exhibition and convention centre. It is easily accessed by all means of transport. The airport has the advantage of being very close to the city. Direct feeder roads connect the motorways, the city and the surrounding region and lead to the designated parking areas. There is sufficient space available for parking on the street in the Grosse Strasse and in the multi-storey car park. For rail passengers, there are IC and EC railway connections reaching Nuremberg hourly. You can access the trade fair fast and comfortably through its own underground station (U, stop at Messe), with a bus service or by taxi to the iENA. Underground trains: U-Bahn: take the blue line U1 or the orange line U11 in the direction of Langwasser Süd and exit at the "Messe" station.
